Ending Canine Cruelty Coalition Sponsorship Packet

Humane Action Pennsylvania's Ending Canine Cruelty Coalition (ECCC) unites animal advocates, organizations, and professionals across the state to combat canine cruelty. Together, we work to enact legislation, enforce regulations, and promote accountability to safeguard pets from mistreatment. Our members contribute expertise, passion, and advocacy to bring positive change and ensure animals have the care and protection they deserve.

Join us in supporting this organized statewide effort to eliminate companion animal suffering and strengthen laws for their well-being. Businesses, nonprofits, and individuals alike are welcome to participate in a sponsorship of the ECCC.
